

The diagram illustrates the layout of a business card with three distinct zones defined by lines:

- Safe Zone:** The innermost area, bounded by a solid blue line, where text should be placed.
- Trim Line:** A dashed red line that defines the final size of the card after it is cut.
- Bleed Line:** The outermost dashed red line, which indicates the area where content must extend to reach the edge of the printed piece.

8.5" x 5.5"

Cut Size: 8.5" x 5.5"
Including Bleed: 8.75" x 5.75" (.125")

← Bleed - Any element that prints to the edge of a printed piece must extend to this line

← Trim Line - Final trim size ordered

← Safe Zone - No TEXT beyond this line
